The Complaints Process

Church Road Surgery

Talk to us

Every patient has the right to make a complaint about the treatment or care they have received at Church Road Surgery/ Tile Cross Surgery.

We understand that we may not always get everything right and, by telling us about the problem you have encountered, we will be able to improve our services and patient experience.

Who to talk to

Most complaints can be resolved at a local level. Please speak to a member of staff if you have a concern and they will assist you where possible. Alternatively, ask to speak to the Practice Manager, Merima Sadic, but note this may need to be a booked appointment.

A complaint can be made verbally or in writing. A complaints form is available from reception. Additionally, you can complain via email to churchroadsurgery@nhs.net or churchroad.hub@nhs.net

If for any reason you do not want to speak to a member of our staff, then you can request that the Integrated Care Board (ICB) investigates your complaint. They will contact us on your behalf.
